Hungry Horse Dam Visitor Center Hours of Operation and Outdoor Guided Walking Tour

Visitors can enjoy exhibits that interpret Hungry Horse's role in flood control and recreation in Flathead County and learn about the dam's contribution to hydroelectric power generation on the Columbia River.

Enjoy a walk along the length of the dam or take a guided tour with a Reclamation guide and see the gantry crane, water tower, old cableway location, and the highest morning glory spillway in the world.

For more information visit www.usbr.gov/pn/hungryhorse. Tour availability subject to change.

Dates	Visitor Center Hours
